Dear Mr. Lindsay:

RE: ML 7920--Oil, Gas, and Hydrocarbon

Receipt of your September 12, 1991, proposal to mine state lands under the above-numbered lease is acknowledged. It is noted that this lease is scheduled for expiration on October 15, 1991. The lease requires a 60 day notification period prior to the commencement of operations. Therefore, this plan of operations may not be approved unless the Division extends the lease for another year.

There are several items in your operating plan which need to be discussed. Mr. Tony Gallegos of the Division of Oil, Gas, and Mining will contact you to arrange a site visit for the first week of October.

Sincerely yours,

JOHN T. BLAKE  
MINERAL RESOURCES SPECIALIST
